Supporting Families Fighting Childhood Cancer

1. **Sign into your fundraising page:** You received an email when you registered that included a link to your fundraising page. You can also go to the JTI website and click on your race and go to the registration site to log in. When you log in you will see a choice between all pages linked to the email (likely the parent and any racers). You must update/set up each page individually.

This box will guide you through steps.
